*...World's first 2-cars-in-one*

**You call the signals!** Your Kaiser Traveler puts two cars at your disposal. In 10 seconds, you can convert this big, beautiful 6-passenger luxury sedan to a husky cargo cruiser...ready to help pay its own way.

**Look at that big, burly back!** A 10-foot long, steel-shod hold, with 130 cubic feet of room to haul football gear or oak veneer...boats, boxes or bales of hay.

**America's smartest line play!** The sweeping lines of a big, big car add to your pride, pleasure and riding ease. Big 123½" wheelbase ends 'short car fatigue'.

**Driving power to spare!** Velvet-smooth Thunderhead engine keeps you ahead of the field on long runs...slips you through traffic smoothly. 7.3-to-1 high compression ratio slashes gas costs.

**Plenty of extra points!** The Kaiser Traveler gives you an 'extra car' for your money...two kinds of cars for the price of only one. So why sit on the sideline when you can drive a Kaiser Traveler!

**See your Kaiser-Frazer dealer for a demonstration**  
Hear Walter Winchell. Every Sunday evening. A.B.C.

## Game Forecast

Marshall College of Huntington, W. Va., is meeting the John Carroll Blue Streaks tonight in the latter's opening home game of the 1949 season. Home from a long road trip which included one intersectional tilt and three matches inside the state, the Streaks will be encountering the Marshall Thundering Herd for the third time in a series which began in 1927.

So far the record stands at a tie and a victory for Carroll. The first contest resulted in a 6-6 deadlock when a Marshall back intercepted a pass and went 90 yards for the equalizer, this in old Luna Park in Cleveland. Last year on Marshall's home field, the Streaks won handily, 20-6.

Next Friday night, October 28, again at the Cleveland Stadium, Carroll goes against a tough Bowling Green team which went undefeated in ten games last year. The only blot on the Falcon record was a 13-13 tie with the Streaks, a game that provided four periods of bitterly-contested football. Carroll has yet to taste defeat from the Falcon gridders, the series standing at two victories and the tie.

## Ticket Information

Tickets for the remaining three home games of the Streaks can be purchased at the John Carroll University Ticket Office, located in the lobby of the Administration Building on the university campus at Miramar and Carroll Bldgs., University Heights 18, O. Tickets can also be obtained at the ticket office of Richman Brothers, 736 Euclid Ave., in downtown Cleveland, during the week of each home game. For Carroll's final away game with Canisius College of Buffalo, N. Y., tickets can be purchased at the university.

Ticket prices are as follows:

(1) \$2.50 box and reserved seats—upper deck (reserved seats are the first six rows behind boxes).

(2) \$2 reserved seats—upper deck, all sections.

(3) \$1.50 reserved section (students)—lower deck, sections 6, 7, 8, 9. Visitors' sections are sections 36 and 37.

(4) \$1 general admission—lower deck, all sections except those shown in (3). (General admission not sold at Richman Brothers.)

The Streaks' remaining home games, all at Cleveland Stadium, are:

Friday, Oct. 28—Bowling Green, 8:15 p.m.

Friday, Nov. 4—Case Tech, 8:15 p.m.

Saturday, Nov. 19—Baldwin-Wallace, 2 p.m.

## President's Message

**JOHN CARROLL vs. MARSHALL COLLEGE**

**October 21, 1949 – Cleveland Stadium**

Tonight, as the Blue Streak cow pokes ride out to meet the Thundering Herd, ghost riding in from West Virginia, the President of John Carroll extends a hearty welcome to the President of Marshall College and its alumni and friends in Cleveland.

The first home game of the Blue Streaks calls for an especially warm greeting to the trustees, faculty, alumni, students and friends of John Carroll, who have been so loyal and enthusiastic in support of the team.

To the Director of Athletics, coaches, players, members of the band and the Boosters' Club my heartfelt gratitude for making sports-minded Cleveland conscious of Carroll's fine record and traditions on the gridiron.

# JOHN CARROLL UNIVERSITY

GRASSELLI TOWER

John Carroll University, located in one of Cleveland's newer residential suburbs, University Heights, occupies seven imposing buildings and fifty acres of campus. Gothic type in architecture, the structures are completely furnished with modern equipment and facilities. Two buildings are devoted entirely to science.

John Carroll began her educational work in 1886 when the Society of Jesus (Jesuits) established itself in Cleveland by opening St. Ignatius College on the city's West Side.

In 1890 the college was incorporated under the laws of Ohio and legally empowered to confer the usual degrees of arts and sciences.

In 1896 a meteorological observatory came into existence under the noted seismologist, the Rev. Frederick L. Odenbach, S.J. Eight years later

the Carroll seismological observatory was established, thus becoming the fourth observatory of its kind to be founded in the United States. It now ranks among the top ten seismological stations in the country.

Late in December, 1935, after an intensive fund-raising campaign had achieved success for a building program, the university staff and students moved to their sparkling new quarters and plant in University Heights. Ten years later provision was made for a School of Business, Economics and Government to be added to the long-standing College of Arts and Sciences.

Expanding enrollment, enlargement of curricula and continued implementation of a wholesome educational philosophy have since further combined to give John Carroll University a permanently substantial reputation for sound advanced education.

## MUSICAL STREAKS

Jack Hearn, director of the John Carroll University band, is the school's first full-time band director in history. For the past 17 years he has conducted the musical Streaks on a part-time basis but with Carroll's growth in grid stature and the resulting need for a larger, better-qualified musical unit, his full-time services were demanded.

At present Mr. Hearn is also directing the bands of Parmadale and St. Ignatius High School, having terminated similar positions at Holy Name and Benedictine High Schools, effective last September.

Since its reorganization the Carroll marching band has grown from its 1948 strength of about 35 to a present total membership of 54. Drum Major Richard Corcoran, sophomore business student, and Drum Majorette Beverly James, social science freshman in the evening school, put the band through its paces during halftime.

# JOHN CARROLL PLACEMENT SERVICE

**Rodman Hall—The Carroll Placement Office here is located on the first floor and adjoins other offices of the school's Vocational Services division.**

John Carroll University's Placement Service is designed to serve a two-fold purpose: first, to assist in the placement of recent graduates of the university and replacement of alumni; second, to cooperate with employers in search of qualified personnel for their staffs.

Headed by Placement Officer Michael J. Vaccaro, the department, in conjunction with the university Guidance Service, functions to help the Carroll student and graduate determine the most effective vocational outlet for his abilities and interests. The long-range educational and vocational planning, which is the prime consideration of the placement staff, assures the employer highly trained job candidates who have the ability and interest to competently carry out their work assignments.

Services available to employers include arranging on- and off-campus interviews, distributing application blanks, administering preferred batteries of tests, obtaining letters of recommendation and many others.

The Placement Service three years ago was little more than an office and an officer. Today its excellently trained staff and modern facilities indicate a growth which has not only kept pace with the university's over-all progress but which promises an even steadier advance in the future.

**MICHAEL J. VACCARO**  
Placement Officer

# Sing !

## ALMA MATER

Sons of Carroll, gather near her,  
Let your joyful anthem ring;  
Sound your Mother's praise, revere her,  
Her fair name full proudly sing.  
Loyal ever, brave and true  
We, the sons of Carroll U.,  
Pledge our love to Alma Mater  
To the Gold and Blue  
Unto noble conquests guiding,  
Kindled she our hearts to strife;  
Wisdom taught us, faith-abiding,  
Showed us manhood—worth of life.  
Grateful hearts we bring to you;  
Hail with song our Carroll U.  
Long may live our Alma Mater,  
Long—the Gold and Blue.

## ONWARD, ON, JOHN CARROLL

On we come, our hearts are tuned to battle  
And our hopes all keen for victory;  
Well we know that Carroll men ne'er falter  
For they're brave and dauntless ever:  
Onward, on, for men will mark your courage  
And will rise to speak your valor;  
Your foes all fear you.  
We're here to cheer you.  
We're here to see you win the day.

### CHORUS:

Onward, on, John Carroll,  
For we want to see you win,  
Gold and Blue;  
Onward, on, John Carroll,  
On to greater goals and vict'ries new;  
Onward, on, John Carroll  
For our faith in you  
Is boundless and true,  
Dear Alma Mater, we're all for you  
And for the Gold and Blue!

## CARROLL FIGHT SONG

Fight, Carroll, fight  
For the Gold and Blue  
For victory's in our right,  
And we'll march right thru.  
Fight, Carroll, fight,  
Until the day is won;  
It's the fighting team that conquers,  
So, Carroll, fight, fight, FIGHT.

## RALLY SONG

Onward to glory, Carroll men,  
Bring honor to our name;  
Let cheers and song renew your will to win.  
For dear John Carroll's fame.  
Come on, you Blue Streaks,  
Let's rally for her now;  
Let's fight for our Gold and Blue  
With hearts on fire for victory  
Onward for J. C. U.

# MARSHALL COLLEGE

**"OLD MAIN" — ENTRANCE TO MARSHALL COLLEGE CAMPUS**

Marshall College, an institution of higher education supported by the state of West Virginia, was founded in 1837 by citizens of Cabell County. Its purpose was to provide preparatory schooling for those entering college or planning a career of teaching in the common schools. John Laidley, a leader in the movement, was a friend and admirer of Chief Justice John Marshall for whom the school was named.

Although enrollment was satisfactory and academic progress was reported, financial support was lacking. When the Civil War broke out, the situation became acute. The school was sold for debts in 1861 and operated as a private school to satisfy a clause in the deed for the land on which the school was located.

On February 27, 1867, the Legislature passed an act calling for the establishment of a State

Normal School to be called the West Virginia State Normal School at Marshall College. The Teachers College was organized and the first baccalaureate degrees were conferred in June, 1921.

The College of Arts and Sciences was established in June, 1923. In August, 1938, the Bachelor of Science degree was authorized, and in 1940, the degree in general engineering, Bachelor of Engineering Science, was established. In the spring of 1945, the Associate in Arts and Associate in Science degrees were approved in ten fields.

Graduate work in six departments was authorized in October, 1938. This division has been extended to several departments and confers the Master of Arts and Master of Science degrees.
